

HARDENER FOR OIL STAIN

Shortens drying times for Oil Stain significantly

6631 Clear

Product description:

Special clear polyisocyanate hardening additive for Osmo Oil Stain to reduce drying times.

Recommended use:

Osmo Hardener for Oil Stain is additive for Osmo Oil Stain that accelerates the drying process.

Ingredients:

Aliphatic polyisocyanate, methoxy propyl acetate. Detailed declaration of ingredients available upon request.

Technical Data:

Specific gravity: 1,15 g/cm³
Viscosity: 36s DIN 53211/4 mm
Odour: faint/mild, odourless after drying
Flashpoint: > 45 °C, acc. DIN 53213
pH value: not required

Storage:

1 year and longer if can is kept dry and closed tightly. Leftover product mixture cannot be stored and reused.

Surface Preparation:

Preparations before use of Osmo Oil Stain are not influenced by the use of the Hardener. These are valid without any restrictions. For this purpose, please observe the product information for Osmo Oil Stain.

Methods of Application:

Add the complete contents of Osmo Hardener for Oil Stain to Oil Stain (1 L) and stir well so that both components are mixed well. The further application of Oil Stain is not influenced by the use of the Hardener.

Cleaning of tools:

With Osmo Brush Cleaner (free of aromatic compounds).

Drying time:

Approx. 3-5 hours (normal climatic conditions, 23 °C/50 % rel. humidity). Ventilate well while drying. Lower temperatures and/or higher air humidity may increase drying times.

Note:

By adding the Hardener, pot time is reduced to 60 minutes. Never mix more material than what can be processed within 45 minutes. If you do not use the entire can of Oil Stain, add 6% Hardener – mix in a separate container!

Caution:

Warning: Flammable liquid and vapour. Harmful if inhaled. May cause respiratory irritation. May cause an allergic skin reaction. Contains Hexamethylene 1,6-diisocyanato homopolymer. (< 0,1% diisocyanate (REACH XVII #74)) Caution: Keep away from heat/open flames. No smoking. Avoid breathing mist/vapours/spray. Wear protective gloves. Use only outdoors or in a well-ventilated area. IF ON SKIN: Wash with plenty of water. IF INHALED: Remove person to fresh air and keep comfortable for breathing. Store locked up.

Warning

Warning

Disposal:

Dispose of leftover product and completely emptied packaging according to local official guidelines (waste code number 08 05 01*). Only completely emptied cans can be recycled.

Colour tone:
